Dear Brothers and Sisters-In-Christ,

This is the third letter you are receiving from the Navigation Team regarding follow-up to some of the questions that came from the 100-member total attendees who participated in our two Town Hall meetings, held on Monday, Nov. 14, 2022.

The attached “Second Question & Answer Document” shows eight different scenarios that the Team has responded to during our latest weekly meeting. Having heard that a few members did not receive our first and/or second mailings, a set of display cases in the Church Narthex marked Navigation Team holds copies of all our correspondence and handouts. Please help yourself to copies of any of the documents.

An additional mailing will soon be arriving at your home via e-mail or postal mail showing a confidential First United Methodist Church Survey. For those with computer access, we are using a high-tech approach whereby you can complete the survey on-line via Google Forms. For those people using the postal service, the paper survey will arrive, to be filled out, and returned to the Church Office by mail or drop-off.

The latest news on the Conference Disaffiliation Protocol is that Church Council of First United Methodist Church of Hanover on Nov. 16 voted unanimously to allow all professing members of First United Methodist Church of Hanover who are present at the Church Conference held for this purpose, the opportunity to vote their conscience to decide if First United Methodist Church of Hanover will disaffiliate from the United Methodist Church. This action allows Susquehanna Conference to set a Church Conference meeting date.

Our second set of Town Hall Meetings will be held on Monday, Dec. 19th at 9:00 A.M. and 6:30 P.M. in the Sanctuary. Please mark your calendars now!

Thank you for reading our correspondence and participating in our Town Hall meetings! Please continue to pray for God's guidance as we follow His will and direction!

Blessings,

The Navigation Team
